Re: Sacramento Hispanic Chamber of Commerce PAC Endorsement

Dear Supervisor Dickinson:

On behalf of the Sacramento Hispanic Chamber of Commerce PAC (SHCC PAC), it's my pleasure to advise you that you have earned the SHCC PAC endorsement for election to the office of State Assembly, District 9. SHCC PAC has also voted to support your candidacy with a contribution in the amount of **\$1,000**. SHCC PAC's contribution will arrive under separate cover.

SHCC PAC takes this opportunity to strongly encourage you to fully extend your campaign outreach to the district's Latino voters and that you consider, at every turn, utilizing the phenomenal communications and media resources of SHCC business members to aid in your campaign effort.

The Sacramento Hispanic Chamber of Commerce, and its PAC, are dedicated to supporting candidates such as yourself that seek to empower and advance Latino-owned businesses in the greater Sacramento region. We look forward to the continuing opportunity to work with you in this cause. We appreciate your support on issues of concern to the Sacramento Hispanic Chamber of Commerce.

At any time you may have questions pertaining to the Chamber, or its PAC, please don't hesitate to call on me at (916) 451-4059.

Sincerely,

JOHN J. RUEDA
